*"Sparkles the Fire Safety Dog has her paw on the pulse of fire safety."
- Chicago Tribune, April 2008*

Firefighters, friends and families from across the globe mourn the loss of Sparkles. Thank you for allowing Sparkles and me the opportunity to help share the fire safety message in Johnson County. A special thank you to our department, Johnson County RFD #1, to Principal Steve Ziegler and all the teachers at Clarksville Primary for helping us get our start with our fire safety education program. Sparkles has reached millions of children and their caregivers since being adopted by my husband, Robert, son, Michael and me. We are truly grateful to our wonderful community.

Thank you for the kind thoughts and messages.

Firefighter Dayna Hilton
